

# BUILD-IN KITCHEN SCALE

PRODUCT NUMBER 7740.50

Trade, commerce and industry

- › Integrated in the worktop surface, with soft touch sensor without protruding controls or indicators
- › Smooth, easy to clean surface
- › Ceramic coated safety glass

# BUILD-IN KITCHEN SCALE

PRODUCT NUMBER 7740.50

## Features

The flat user-friendly universal scale for non-approved weighing operations. The patented Quattro-Tronic weighing system provides precise weighing measurements. This is also the reason for the compact design and low weight. Its low height makes it ideal for installation in worktop surfaces. The 12.5mm easy to read LCD is integrated in the scale. Easy to operate by gently touching the innovative soft-touch sensor. The scale is easily removed from the stainless steel tray for cleaning.

### Design

- › Convenient one-key operation with soft-touch sensor – no more mechanical keys
- › The scale is easy to clean due to its smooth surface and easy to remove from the stainless steel installation tray
- › 12.5mm LCD for easy readability

- › High quality design stainless steel installation tray
- › Ceramic-coated safety glass produces hardwearing surface
- › Scratchproof, shockproof and heat resistant
- › Full capacity tare range by subtraction (100%)

### Technical data

- › Energy saving automatic power-off
- › Battery power supply with 9V block battery 6 LR 61
- › Operating temperature 5°C to -35°C

### Scope of delivery

- › 9V block battery
- › Installation tray
- › Silicon sealing compound cartridge

## Ordering information

| Order Numbers | Weighing Range | Divisions | Dimensions           | Weighing Platform |
|---------------|----------------|-----------|----------------------|-------------------|
|               | kg             | g         | mm                   | mm                |
| 7740.50.001   | 10             | 5         | 331.6 x 366.6 x 38.3 | 322 x 287         |
